TARRAS SCHOOL

Talofa

Students have participated in some exciting LEOTC events in the past month. Students attended the Wanaka A&P Show and enjoyed seeing their own artwork up on the walls, checking out whether their home industry entries had won a prize and the 2 shows at the family stage. Students were invited to Wanaka Airport to meet the RNZAF personnel, see the Hercules land and also got to go on board the plane. Students learnt about the different trades within the RNZAF by completing a treasure hunt of meeting people and asking questions.

Ensure you pop along to the Church Centenary to see student artwork and hear them singing a couple of songs.

The asphalt surface at school is being upgraded. Artificial turf will be installed over the next couple of weeks. The company has been preparing the surface which is why it is blocked off by cones. If visiting the school grounds please stay behind the boundaries to ensure the work taking place is not disturbed. The new surface will be marked with several sports options.

Thankyou to all the parents and community members who have been supporting the variety of fundraising activities that have taken place over the last month : Wanaka A&P Show, CIAL catering, Trailride car parking and March firewood raffle. The money raised supports the employment of our second teacher. As always our FOTS committee work extremely hard to ensure fundraisers are successful and welcome any support from the community.

The school swimming pool will officially close for the season on Friday 16th April. If you have a key it will need to be returned to school before Friday 28th May to activate your deposit refund. Any key returns after this date will not receive the deposit refund. Deposit refunds will be made by bank transfer. Contact Letitia for any enquiries - office@tarras.school.nz

From the Team at Tarras School we wish everyone a Happy Easter.

Easter Weekend Friday 2nd April - Tuesday 6th April
School Term 1 ends on Friday 16th April.

Tarras Playgroup

Tarras Playgroup would like to thank the Tarras Community for supporting them and help make the Dog Trial catering a successful fundraiser once again. We hope to see some upgrades starting to take place to our water system in the coming weeks.

We managed to return most bowls and containers that were named at Dog Trials, however if you forgot to name your bowl, or we did not catch up with you at Dog Trials, these will be left for you to collect from the Tarras Store.
