TARRAS SCHOOL

Kia ora

Term 3 has begun and staff are excited to welcome 4 new faces to school. Lara and Hulk have transitioned over from Wanaka Primary, AJ and Abby have started their new school journey as New Entrants. Staff welcome the families of these students to school and are excited to work alongside them in the future.

This brings the school roll up to 21 - this is amazing as in 2018 school had only 6 students on the roll. It really is wonderful to see the school growing and re-developing the community connections. Tarras School provides our local children with a high quality education and often more opportunities than they would get at larger schools.

One of Tarras School's values is community and we are looking to strengthen our community connections as the school grows to best support the students' learning. If you are able to support in any way be in touch, this could be sharing ideas, volunteering some time, coming to listen to children read - anything is a possibility so be in touch!

Our social media presence is extremely important to promoting our school and also for sharing any funding we receive. If you do not currently follow our social media pages, Facebook and Instagram, it would be appreciated if you could go on and like or follow these. Not only will you receive regular updates on what Tarras School students are learning, but you show the support we really need for fundraising. Make sure you have a look at our updated website too <https://www.tarras.school.nz>.

If you have a 4 year old at home who would like to see what school is about, contact principal@tarras.school.nz to find out about school visits. We are also happy for students to join us at any point on their school journey between Years 0 and 8.

Next BOT Meeting : Thursday 25th August @ 7.30pm.

Current Roll : 21
