TARRAS RURAL WOMEN NEWS

Last month quite a large group of us descended upon the Wooing Tree Tasting rooms! We all enjoyed lunch with a glass (or two!) of wine, drew our Christmas raffle and then wandered down to take a look at the showhome. Plenty of laughter, good company and a lovely venue. Thank you very much for all the very generous donations for the Christmas Raffles, We ended up with enough for 4 hampers which was amazing!

The winners of the raffles were:-

- Nicola Mulvena - Xmas hamper
- Barb Annan - Xmas hamper
- Judith Cullen - Baby hamper
- Felicity Hayman - Baby hamper

Students have had an exciting time to end the school year. Year 2 - 6 went on camp to Sutton to explore the local area. Cycling 26km of the rail trail over two days, visiting Naseby museum, exploring all that Middlemarch has to offer and walking round the Sutton Salt Lake with frozen foreheads from the rain were the highlights. Year 0 - 1 stayed closer to home and utilised the bike park at Bremner Bay, visited the Lavender Farm and had a blast at the Toy and Transport museum. A big thank you to all our school parents who provided transport to these events.

I would like to take this end of year opportunity to say Thank You to everyone who has supported Tarras School during 2022. So many people form our Tarras School community and do different things in different ways to support the school. Everybody working together ensures Tarras continues to have a place where local students can attend school and receive a high quality learning experience.

FOTS will meet on Monday 12th December at 7pm at Tarras School - come along to share ideas for fundraisers for 2023.

The next Tarras Board Meeting will be Wednesday 7th December 2022 at 6.30pm at Tarras School.

It is exciting to hear of new students moving to the area or getting ready to start their school journey at Tarras School. If you have a pre-schooler at home and would like to come and visit Tarras School to check out your local school contact Rachelle on principal@tarras.school.nz. This is the same for any students in year 1 - 8 who currently travel outside the area to attend school. Support your local school - less travel and less students per class.

Current Roll : 20

Wishing all our Tarras School community a very restful festive season and the best start to 2023.
