Tarras Fire Brigade

As you can all see it's getting very dry, very quickly and we'd like to remind you that we are currently in a prohibited fire season. We have had our quietest December/January for many years with only a few false alarm activations.

We recently lost two of our volunteers due to leaving our community, we'd like to thank Essie Steven and Jacob cook for your contributions to our brigade and wish you well for your futures. We now have 12 volunteers in the brigade but would like to see more, if you think you have the ability and willingness to join us please get in touch.

Tarras fire brigade are hoping to raise funds in the coming months to help the community by providing an secure AED storage box which will have 24hr public access, as this has been discussed for many years by several community groups but not yet achieved.

Our brigade fridge recently broke down and we are currently looking for a replacement, if you have a spare cheap fridge you could sell or donate we'd appreciate it a lot.

Regards Tarras fire brigade.

TARRAS SCHOOL

Happy New Year - where has January gone? Hopefully you all managed to stay cool and enjoy the beautiful weather after Christmas.

Over the holidays work has progressed exceptionally well with the swimming pool - more to come on this once it is completed. Thank you to all community members who have supported this project so far. I must personally thank [Liz Carroll-Lowe](#) who has project managed this exceptionally well.

We are about to install a tunnel house in the veggie garden area to support developing a plant nursery. For this we are on the look out for two blue barrels which we could cut down to have as water storage. If you can help be in touch.

Thank you to the Alexander McMillan Trust who provided funding to support the purchase of a new ride on mower for school. This was much needed and has already bought much joy to Paul, our Groundsmans, life. You can read more about this trust here: <https://www.gallowaycookallan.co.nz/trusts>

School is expected to begin the year with 20 students. If you have a 4 year old at home email principal@tarras.school.nz to arrange pre-school visits or enrol online. Anyone new to the area with a school age child can visit Tarras School website and enrol through the online link.

Follow us on Facebook to ensure you are up to date on all the learning students participate in during the school year. Term 1 is already brimming with planned EOTC activities as well as some fun and interesting classroom based learning activities.

Tarras School Board of Trustees Meeting : Wednesday 22nd February @ 6.30pm
