

## WHATS COMING UP AT THE TARRAS CHURCH ...

THE TARRAS CHURCH SERVICE IS THE FIRST SUNDAY OF EVERY MONTH AT 11AM

Next service: 6<sup>TH</sup> FEBRUARY 2022

DUTY: SPIN LUCAS & ANNE RIVE

Service lead by Damon Plimmer – all welcome

Friday 18<sup>th</sup> March 2022 at 7.30pm  
The Alpaca Social Club with special guest Cousin Alice

The Alpaca Social Club plays fresh sounds from exotic lands. The music has a flavour of Arabic, Celtic, funk, soul and gypsy jazz cultures.

The two musicians at its core are pianist and accordionist Craig Denham and bassouki player and guitarist Jon Sanders.

Fans describe their live show as "a pyrotechnic display of dazzling virtuosity" and "a quantum leaping musical curiosity".

Craig and Jon are joined by jazz singer 'Cousin Alice' and her banjulele.

Tickets available online:

## It's time to update the Tarras Community Plan!

Did you know the last Tarras Community Plan was developed in 2007 - that is nearly 15 years ago!

The CODC is working with the Tarras Community to find out what we value about where we live, what we love, what we want for our community and what we see for the future of Tarras.

Please take a few minutes to go to the website

[www.surveymonkey.com/r/tarrasvaluessurvey](http://www.surveymonkey.com/r/tarrasvaluessurvey), or click on the QR code below. If you prefer the pen and paper method, you can also pick up a survey at the Tarras Country Store, fill it in and drop it into the box when you are done. The survey will be closing soon and it's important for as many people to give feedback as possible - Make sure you have your say!

**TARRAS COMMUNITY PLAN VALUES SURVEY**

A group of Tarras locals have taken the initiative to update the previous Tarras Community Plan from 2007, to ensure it is relevant for the present day, for the future of Tarras and its residents.

Tell us what the special things are about Tarras - what you value and want to remain, what you think should change, and what you want Tarras to be known for in the future.

Visit [www.surveymonkey.com/r/tarrasvaluessurvey](http://www.surveymonkey.com/r/tarrasvaluessurvey)

# TARRAS SCHOOL

### Start of Term 1 : Wednesday 2nd February 2022

Tarras School staff are looking forward to welcoming all students back on site to start another school year of fun and learning. There will be some new restrictions in place for students and staff due to the covid red level requirements and these will be shared with parents before the start of school. Anyone visiting the school site will be required to wear a mask and ensure they are following the scan in and sanitise routine.

The school produce stand will start ramping up from now - potatoes, courgettes, carrots, plums and apples will be available. Check the stall whenever you go past and support the schools fundraising efforts. If you have an excess of produce, be sure to add it to our stall to support the school. If you don't need anything be sure to tell your friends who are travelling though to check it out.

Swimming pool keys will still be available to purchase from 2nd February - this will give you access until the pool closes at Easter. Keys have sold incredibly well this year and it is great to see so many people using this resource. Funding is being sought to repaint the pool and do some other jobs around it to ensure the facility is available for use for years to come. Thank you to Liz who has been testing the pool over the holidays to ensure it is chemically balanced for all the users.

We welcome Angus and Holly Macdonald and their family to the start of their school adventure - all staff look forward to watching you grow and learn. The school year starts with a roll of 15 students, 10 in our Year 1 - 3 class and 5 in our Year 4 - 6 class. If you have a 4 year old at home who would like to see what school is about, contact [principal@tarras.school.nz](mailto:principal@tarras.school.nz) to find out about school visits. We are also happy for students to join us at any point on their school journey between Years 0 and 8.

**Covid-19 : If you are entering the Tarras School building it is a requirement to scan the Covid-19 tracker QR code, located at all entrance points, or sign in using our paper registers. This is a requirement and will assist with contract tracing if necessary. We thank you for your compliance**
