TARRAS SCHOOL

- Bula Vinaka,
- Congratulations to Madeleine, Matilda and Evie who have been the Tarras School Values Certificate recipients so far this month. It has been great to see the students proudly standing in front of their peers. It is also lovely to hear the acknowledgement from their classmates - lots of clapping and cheering.
- The new school turf is well used by students - markings are there for netball, tennis and there is a basketball key. Students also spend lots of time making up their own games using the lines. The Physical Activity Leaders (PALS) enjoy having a space marked out for leading the other students in their games.
- Year 1 students have completed a beautiful piece of artwork based upon the seasons. This will be displayed in the Wānaka Community hub during July so be sure to pop along and enjoy a display of local children's art work. If you would like to see the other work Tarras School students have produced come along to our open classroom afternoon : Wednesday 7th July between 1.45 and 2.30pm.
- ERO are currently working with Tarras School in a new format - ERO provides an evaluative partner to work alongside the BOT and principal to improve systems. The BOT have selected to complete a supported curriculum review process to ensure they have a robust system in place for the future. This process will be completed looking at a variety of situations, including stakeholder involvement at some stage. Suzanne Lewis (ERO) still ensures compliance is completed by the school, looking at policies and systems already in place.
- In Term 3 the students will be learning about the season Winter (year 1's) and Space (year 3 - 6's). If you have any resources, experiences or ideas you would like to share with the students please get in touch with teaching staff.

Below : The new tennis court, South Fuels package, Playing in the autumn leaves, National Young Leaders Day.
