**TARRAS RURAL WOMEN NEWS**

**Pink Ribbon Afternoon Tea**

It was great to see a good attendance at our Pink Ribbon event and thanks also to those who donated to the cause but could not attend.

The Café spoilt us with delicious pink treats, we appreciate your willingness to host us. Perriam and Christina came to the party with a generous raffle gift won by Pat Holder. Sue Trevathan won the Hamper overflowing with many treats.

Special thanks to the generosity of the Tarras Golf girls who donated \$475. A grand total of \$735 will be donated to the Breast Cancer Pink Ribbon Appeal.

**NEXT MEETING:-**

July 19th

**Winter Webinar Series**

**Monday 12<sup>th</sup>, 19<sup>th</sup> & 26<sup>th</sup> June**

**7.30-8.15 pm via Zoom**

A practical and insightful webinar series designed to help farmers navigate challenging economic times and highlight future opportunities. Covering three key topics:

- Fertiliser: Getting bang for your buck** – tips and tricks for making your fertiliser spend go further; how increase nutrient use efficiency using new spreading technologies.  
*Speakers: Dr Robert McBride (AgKnowledge) & Dr Ants Roberts (Ravensdown).*
- Research bites** – learn about the latest research being undertaken to enhance sheep and beef farm productivity.  
*Speakers: Dr Paul Kenyon (Massey University), Dr David Stevens (AgResearch), Professor Derrick Moot (Lincoln University).*
- Managing financial tough times** – tips for managing your business through a high-cost environment; insights and opportunities for the red meat sector.  
*Speakers: George Collier (Director, ICL) & Nick Beeby (B+LNZ GM Market Development).*

For more details on the webinars and to register, visit the B+LNZ website events page: [www.beeflambnz.com/events](http://www.beeflambnz.com/events).

**An update from Molly Todd who recently attended the Global Amateur Tour Trip to Morocco 2023:**

"I was lucky enough to compete in show jumping while in Morocco and I came home with a first place in my chosen class, it was an amazing experience to ride against Moroccan riders. This trip provided me with valuable life experiences and horse riding knowledge that I never dreamed possible. I would like to express my gratitude for the community scholarship, supporting my education and investing in my future!"

Maori Point Road

**60kph speed restriction  
No Heavy Through Traffic**

There have been ongoing issues with the condition of Maori Point Road.

This is due, in part, to the speed traffic are travelling and increased heavy traffic. The last two years have seen a significant increase in heavy traffic volumes.

The road is a gravel road and not a suitable through route for regular heavy traffic.

**TARRAS SCHOOL**

G'Day,

You may have seen some tradespeople at the school house recently. The board decided to upgrade the interior as it had become very tired and dated. A new bathroom, a full interior paint job and new flooring throughout will make the house not only look beautiful again but potentially draw in a new family to the area.

Students in Year 5 and 6 enjoyed 2 days away on leadership camp at the end of May. They spent Monday chatting to the parrots at the Dunedin Botanic Gardens and exploring all the exhibitions at the Otago Museum. Fish and Chips were enjoyed on the waterfront at St Clair - hats and scarves compulsory! On Tuesday they attended the National Young Leaders Day at the Dunedin Town Hall. Inspirational speakers were listened to with all students coming away with an author called Graci Kim being their favourite - she spoke about even when you fail you must keep going till you hit success! Students have requested her books be purchased for our school library. Speakers were Brad Smeele (former pro wakeboarder / quadriplegic), Julia Grace (mental wellness communicator), Graci Kim (diplomat turned bestselling author), Georgia (Potiki Poi) and Georgia Lines (musician).

During Road Safety week students explored what signs look like on our road and how to spot the ones that mean danger or places of interest. Students also designed a way in which they could cross the main road to Tarras School without having to actually cross the road. Bridges, subways and traffic lights were all possibilities. The ways animals cross roads in other countries was explored and discussions were held as to what animals students would want to help across the road. On Thursday of the week students wore yellow to "Be Bright" for road safety.

Students enjoyed 2 days using the Sport Central "Loosey the Loose Parts Trailer". It was full of all sorts of objects which the students created new games with and led imaginary play. They are very excited for when this comes back to them later this year.

With mixed emotion I handed my resignation into the Tarras School Board during May. I will be moving on to be an Education Advisor for North Otago at the start of Term 4. I will be working at Tarras School until then. This will also mean a house move for Andrew and I, so we will hopefully get to catch up with all our Tarras chums before we go on our next adventure.

Stay warm - pine cones for sale \$5 a bag on the produce stand.
