Tarras Golf Club News

Tarras Golf Club AGM is on Wednesday 15th March, 7pm at the Tarras Hall

Tarras Golf Opening day Ambrose is on Saturday 25th March. New players welcome.

Hello Tarras, Let's Talk Rubbish!

Tarras properties are not charged for rubbish collection on our rates bill.

The \$73.98c we are charged is a waste minimization fee.

This covers recycling, policy development and closed landfill monitoring.

The \$8 for the Orange Rubbish Bag covers collection and disposal costs.

Every property within a wheelie bin collection zone (eg Cromwell) is charged \$475.30c. This includes the \$73.98c charge.

So how do we compare with Cromwell ?

Each Cromwell property pays \$401.32 for disposal of rubbish. That would equate to 50 orange rubbish bags for each Tarras property.

If you use less than 50 orange rubbish bags a year then you are winning!

Tarras Recreation & Hall Committee

Tarras Hall and Recreation Committee would like to thank Bonar Rowley for all his hard work over the past years maintaining the recycling container for the Tarras community.

Bonar has now stepped down from this role. Andrew Read will take over the role.

All Tarras Community Hall users are reminded to make bookings or hires via email with Michelle. Please email tarrashall@gmail.com

TARRAS SCHOOL

- Kia ora
- Welcome to Lewis Rutherford and Lachlan Bennett who have joined us as New Entrants. It is lovely to see children who were born as I started my role as principal starting school.
- Welcome also to Anton Bakx, who has joined us in Year 5.
- School is entering week 5 of Term 1 and lots of learning is underway for students and staff.
- Students have delved deep into shadows after questioning why our shadows move during Challenge Wanaka training. Students participated in Junior Challenge Wanaka and all who entered completed the du/tri athlon. Events like junior Challenge Wanaka support students in developing resilience and also gives them an idea of completing something that may make them nervous. Staff have been exploring the refreshed Social Sciences curriculum with the support of an external PLD provider.
- Students are about to dig up the school daffodil bulbs and relocate these ready for next year. A relocation is necessary as work will soon be underway on the installation of our new tunnel house. Paul, our groundsman, is very talented and knowledgeable and will be setting up a seed to seedling to plant nursery. Students will be able to follow the growing process right through and hopefully sell some of their plants to locals.
- Tarras School would like anyone who is a confident guitar player to contact them. This will be to support our kapa haka group. Staff and students are keen to have some practise before attending the local kapa haka performances later in the year.
- The swimming pool is ever closer to being finished and having swimmers in it - a full run down of this project will be in the April Tarras Talk. Hoping that students are swimming on Tuesday 7th March - all be it a little chilly!
- If you have a 4 year old at home email principal@tarras.school.nz to arrange pre-school visits or enrol online via our website. Anyone new to the area with a school age child can visit Tarras School website and enrol through the online link.
- Follow us on Facebook to ensure you are up to date on all the learning students participate in during the school year.
