Tarras Talk

Gets Ready

and we'll get ready for emergencies together

Emergency Management Otago has partnered with CODC and Neighbourhood Support to establish Central Otago Gets Ready. Only 12 households in Tarras have already joined the network so far.

Sign up for Gets Ready at www.otago.getsready.net

What does Gets Ready do?

- 👉 Sends you alerts in an emergency
- 👉 Lets you register family members or friends who may need extra help in an emergency
- 👉 Lets you register your skills, resources or help you can offer others in emergencies
- 👉 Helps prepare neighbourhoods to be part of a coordinated community response

Locals helping locals

Opportunities Expo Webinar Series

Monday 2nd, 9th & 16th May
7.30-8.15 pm via Zoom

A positive and future-focused webinar series looking at current and future opportunities for red meat farmers in Central Otago. Covering three key topics:

- Adding value to red meat** – current and future opportunities for NZ red meat.
Keynote speaker: Jacqueline Rowarth, Adjunct Professor, Lincoln University.
- Carbon sequestration** – what options do Central Otago farmers have for woody vegetation offsets?
Speakers: Erica Van Reenan, AgFirst/HWEN & David Norton, University of Canterbury.
- Top tips from your local rural professionals** – quick wins for increasing production and efficient use of nutrients.
With Ben Trotter, Agricom; Jaimee Pemberton, PGGW, Nicole Dowling, Ravensdown.

For more details on the webinars and to register, visit the B+LNZ website events page: www.beeflambnz.com/events.

TARRAS SCHOOL

Kia ora

- I would like to welcome 2 new students to Tarras School this month: Matilda and Reggie. Both of these children turn 5 this month and are starting their education journey at Tarras. The staff welcome the families to the school whanau and look forward to working alongside these students and families.
- Tarras students are excited to be starting their hot lunch orders again this term. We welcome Paul and Antonia into our school whanau as the new owners of the Tarras Country Cafe.

- Tarras School and Makarora School will be working together this term on a MOE project called Creatives in Schools. Anna Rowley will be working a day a week in each school to share singing, musical instruments and musical digital technology with the students. This will culminate in a show called "The music makes the sheep go to sleep" on Wednesday 6th July at 5.30pm. All are welcome to the show and to share in a light supper afterwards. Creatives in Schools is in its 3rd round of funding and only 117 schools were provided with funding in 2022 so it is exciting to be part of this initiative.

- The students led the singing of the National Anthems exceptionally well on ANZAC day. It was wonderful to almost half the school turn out to remember the fallen. It is hoped that this will become an annual event for the students to participate in. The students had spent time learning about what ANZAC means and had made walnut poppies to lay underneath the flag. Thank you to Gary who accompanied the students on his guitar.

- The next FOTS meeting will be on Monday 30th May at 7pm. If you have any fundraising ideas please join the team for a chat. You can contact Michelle on fotssecretary@tarras.school.nz for more information.

- If you have a 4 year old at home who would like to see what school is about, contact principal@tarras.school.nz to find out about school visits. We are also happy for students to join us at any point on their school journey between Years 0 and 8.

Hei konā mai
