As we near the end of term 4 the students would like to invite you all to come and watch "The Landlord's Cat". If the country is still at Level 2 or above this will have a restriction on how many audience members we can accomodate. Students are already practising their singing and enjoying learning the storyline.

The MOE are still sharing restrictions about community swimming pool use during Level 2 of Covid. As the information is released swimming pool key info will be shared with you. If you are keen to have a key, if we are able to open, please email office@tarras.school.nz and add your name to the waiting list.

Four Your Information from the Ministry of Education : Everyone who works for a school or kura who may have contact with children or students or will be present at a time when children and students are also present must have had a first dose of the COVID-19 vaccine by 15 November and be fully vaccinated by 1 January 2022.

From 1 January 2022, schools and kura must only allow those that are fully vaccinated to provide onsite services. This includes: principals, teachers, relief teachers and casual staff, administration staff, caretakers and cleaners contractors and other tradespeople service managers caregivers and other staff.

It also includes unpaid workers, such as volunteers and any members of the community who are regularly on site during a time when children and students may be present.

The vaccination requirements apply wherever in person schooling occurs, such as on the school or early learning service site, but also at school camps, swimming pools, museums, or where other education outside the classroom (EOTC) programmes take place. This means that both school staff and volunteers who are involved in EOTC should have had a first vaccination by 15 November and be fully vaccinated by 1 January 2022.

The vaccination requirements do not apply to those who are performing services remotely, or who are onsite only when children and students are not present (such as a contractor who is performing maintenance during the weekend or over a term break). The requirements also do not apply to people who are visiting your school or kura, such as for a learning conference or a parent, whānau and community evening.

Tarras School is a full primary school which means it can accommodate students in years 1 - 8. If you have a child turning 5 in the next year, be in touch to organise them visiting school and learn how you can be part of our amazing school community. We welcome anyone with children at any stage of their Year 0 - 8 schooling who want to see what Tarras can offer - be in touch: principal@tarras.school.nz .
