## Calling all crafters!

Do you have a craft (or two?) and would love to share? A few people are considering getting together and having a craft day. If you sew, knit, crochet, quilt, scrapbook or anything else crafty we would love to hear from you!

if you would be interested in getting together to share ideas and pass on tips and tricks or encourage each other to try different crafts.

OR

if you are interested in taking up a craft but don't know where to start. We would love to hear from you!

## Tarras Golf Club News!

Golf-Our annual Tarras Tournament is looming. The John Annan Memorial men's Tournament is on 6th & 7th September and the women's 4 Ball Tournament is on 8th September. This year we have an exciting addition to competition. The Honda Store Wanaka will donate a Honda car to the first man to shoot a Hole in One on No 8 hole. They will donate another car to the first woman to shoot a Hole in One on No 17 hole. We wish to thank Honda Store Wanaka for their generous sponsorship and look forward to perfect shot!!! Our other major Sponsor is Ravensdown, thank you very much!

In August we played Cromwell in Tarras in the annual Interclub for the Colin Cowie Cup. They beat us scoring an average of 27.21 Stablefords and we scored 26.58 Stablefords.

The Men's Pennant team has reached the Central Otago Presidents Final which will be played on 18th September. Good Luck

Saturday 10th September is Jack and Noni Mead Trophy, a mixed pair of Tarras members, 12.30pm report

Saturday 24th September is Tarras Men's and Women's Championship Finals day

Saturday 1st October is Potter Gold Watch Trophy, a mixed fun day

Saturday 8th October is Hawea v Tarras Interclub game at Tarras, 12.30pm report

Saturday 15th October is Tarras Closing Day, midday report.

# Tarras Talk

(Pop it in the red bin)

**STOP**  
- can this be recycled?

**LOOK**  
- for the number and is it clean?

**RECYCLE**  
- put it in the yellow bin!

### TARRAS COMMUNITY PLAN UPDATE!

Near the end of 2021, a community values survey was distributed to the residents of Tarras, seeking your views on what is important to you as someone who lives, stays or owns property in Tarras. We are providing another opportunity for you to fill in this survey, to make sure that we hear from as many people as possible.

The survey asks what is special about Tarras, what you value and what you want Tarras to be known for in the future. Your response will help set a direction for the future by informing a new Tarras Community Plan.

The survey will close on Friday 30<sup>th</sup> of September, when the data will be analysed and presented back to the community at two workshops to be held at the Tarras Hall. These workshops are a chance for you to come together as a community and set a vision and action plan for the future. The first of these workshops will be held on **Tuesday 18 October at 5.00pm**, and the other will be held on **Saturday 5 November at 4.00pm**, and will include a sausage sizzle! We have tried to select two very different times so that most people will have a chance to attend one or the other.

We will analyze the data from this survey separately from the first time it was sent out, so don't worry if you can't remember if you have already filled it in or not – we want to hear from you!

This is a community-led process, supported by Central Otago District Council.

You can find a link to the survey here: <https://forms.office.com/r/j3VvTCabKE>

**FIREWOOD For Sale:**

## TARRAS SCHOOL

Olá

In August we welcomed Lucy Manson and her family into the Tarras School community.

Tarras School would like to announce the new board of trustee members : Dan Feary, Clementine Wallace, George Reed and Christine Gibson. The first meeting date is pending. Being a member of a school board is an exciting time as you get the opportunity to work on strategic plans which lead the direction of the school.

The Tarras School pool is in some desperate need of renovation. Central Lakes Trust have committed \$25,000.00 to the project. Re-coating the pool and adding some extra safety features will cost in the region of \$70,000.00 so more support is being sought.

PGG Cash for communities is back up and running in September. If you purchase Ballance Agri-Nutrients fertiliser through your PGG Wrightson account you can nominate Tarras School who will gain \$\$\$ - get in touch with your representative now. PGG Wrightson account holders who purchase selected Ballance Agri-Nutrients fertiliser during spring can nominate \$1 for every tonne purchased to a chosen qualifying cause.

Students have enjoyed visiting Cardrona on a Friday for school skiing - thank you to FOTS for supporting the students in attending this activity. Watching the students progression is good fun, waving goodbye to them on the chairlifts is quite daunting, but the smiles they come back down with ensure we remember what exploring our backyard is all about. Cross country is ahead of students currently with Hāwea hosting the first run experience for many.

The latest 10 Year Property plan has been signed off and the work will be completed in the near future - new roofing on the main building and some work to get hot water to the swimming pool area. Extra upgrades will be completed inside to create a multi use room with areas for technology and art. All learning spaces will receive new carpet.

Junior school students have been busy planting seeds in preparation for the annual seedling sale. They have created pick n mix 6 packs which will sell for \$10. There are a limited amount so be sure to be an early bird on Saturday 29th October when they go on sale. If you have any extra seedlings from your own garden to add to the sale these can be dropped at school the week prior to the sale.

Current Roll : 22
