TARRAS COMMUNITY CHURCH

Our service this month will be on the 12th August at 11am led by the Rev Damon Plimmer.
 Morning Tea following the Service.
 DUTY; Sue Rutherford and Anne Rive
 ALL WELCOME

Our Vestry Meeting will be held after morning tea.

Playgroup

Check out all the fun we had with some new puzzles donated to us by Tarras School. The littlies had great fun mixing all the puzzles up and trying to put them back together. Thank you Tarras School!

Come down and join us on Wednesday morning from 9am-12pm.

Brain Teasers

There is a straight highway. Four different villages lie on that highway. The distance between them is different. The third village is 60km away from the first village; the fourth is 40 km away from the second; the third is 10 km nearer to the fourth than it is to the second. Can you calculate the distance between the fourth and the first village?

Alex opened 24 presents
 Jonah opened 8 presents
 Clara opened 1 present
 Can you find out how many presents were opened by Andrew?

By all accounts the students all had an exciting July School Break - lots of catching up with each other and many visits to the snow. Training for cross country and our ski lessons have begun. The students braved high winds and white outs on their first session up at Cardrona on Friday so fingers crossed for bluebird days for the next five weeks.

During August (13 - 24) we will be taking part in Watties Cans for Good - <https://www.watties.co.nz/What-s-New/News-New-Products/Wattie-s-Cans-for-Good-2018>. If you would like to donate a can or two you can drop these into school reception on Mon, Weds and Fri and pop them in the box there. During the campaign the students will make an art piece to photograph and send in to Watties and also design can labels for a competition. All cans donated go to stocking up the Salvation Army foodbanks.

Over the coming term our older students will be working with Maxine, a local artist to produce a piece of artwork that will be completed during the Bannockburn Across the Bridge festival in September - check in the next Tarras Talk for further details. The students will take part in 4 workshop sessions learning new art skills before designing their own mural.

Students worked hard on completing their self set challenge during Plastic Free July. We have seen lots less waste in packed lunches and we now ask students to take their rubbish home with them to dispose of so that school waste is kept to a minimum. Thanks to Emily at the Tarras Cafe who has welcomed our students idea of using newspaper to transport their weekly hot lunch - they are enjoying perfecting their paper bag making skills.

In August we welcome Zara Thompson to our school.
