Tarras Country Cafe

It's taken me quite a few days to write this down, mainly because it makes me cry.
 Thursday the 2 Day of December 2021 will be my family's last day at our cafe.
 The cafe will be closed from Friday 3rd.
 I can not, and will not run my business when I have to discriminate against who I can and can't employ, and who I can and can't let in my doors.
 Thank you EVERYONE who has supported me over the years ❤️❤️
 We've had so much fun.
 Emily

TARRAS SCHOOL

Talofa

As you read this I am hoping that you all managed to get along to watch the students perform their nativity, The Landlord's Cat. This covers a large portion of the arts curriculum and certainly provides students with an experience they will never forget. It takes a huge amount of hard work, memory and perseverance from every child to master the songs, words and actions. It is not easy to get up in front of an audience and perform but you would think our students have been doing it all their lives.

Tarras School has farewelled Kaylen and Winter, who have moved to a new school, all the staff and students wish them the best of luck. Paul has become our new groundsman and you will see him riding the mower in circles over the holidays. We are planning some school grounds working bees over 2022 so as soon as we have dates we will ensure everyone knows them - many hands make light work. Laura who came in as a Teacher Aide this term will be finishing at the end of 2021, she has made an amazing impression on all our students and we look forward to seeing her back in the teaching community soon.

Swimming pool keys are available now - email Leittia at office@tarras.school.nz if you are interested in a key. When using the pool we ask everyone to scan in using the Covid tracer app, these QR codes will be located in the pool area. To enable us to keep the pool open we request that families respect social distancing if necessary. Hand sanitiser will be available at the pool compound.

Tarras School continues to thrive due to community support. At this time of year it is important to send some thank yous around the community.

- First of all if you have supported any fundraiser, in any way, we thank you - without you supporting our regular fundraisers we would not be in the position we are so luckily in. Having 2 full time teachers in a small school is a real luxury and one that everyone benefits from.
- FOTS have focussed hard on raising money to support the wages of our second teacher, this has provided a great start to our year 0 and 1 students. It also means our Year 3 - 6 students have been able to have more directive learning opportunities. FOTS are parents and community members who volunteer their time to support the school, a very big thank you for all the efforts from all FOTS members over the year.
- Tarras Country Cafe provides students with the lunch highlight of the week - Hot Lunch Wednesday's. Thank you to Emily and all her staff who cook and provide the lunches for our students. I would like to take this opportunity to thank Emily for all her support over the past few years - always willing to have raffles or tea towels for sale. An amazing support to our small school - you will be greatly missed.
- Southfuels users have managed to provide 2 \$1000 packages in 2021. This provides us with boosts in sport, technology and now literacy. In our latest round we have selected a headphones package to support a literacy programme we run online and also \$500 worth of books to update our library. Thank you to following companies: **Tarras Farm Limited Partnership, Duncan Earthworks Ltd, Cheeki Cherries - Ripponvale, Clutha Plains Trust, Molyneux Farm Ltd, G R Goodger & Co, Cluden Station, Kotiti Ltd, M & J McCaughan, Geordie Hill Station Limited, Duncan Earthworks Ltd - Mount Bark, Lindis Peaks Farming Limited, Nine Mile Pastoral Limited, R J Johnston Contracting, Malvern Downs Ltd, Tarras Downs Ltd**

Rural communities and schools everywhere can enjoy the benefits of the Fuel for Schools programme. For more information about the programme, call 0800 4 THE KIDS (0800 484 3543) or visit our website. Farms do not have to be located in Tarras to support Tarras School - check in with your mates and ensure they have Tarras School ticked on the Southfuels contract.

Tarras School is a full primary school which means it can accommodate students in years 1 - 8. If you have a child turning 5 in the next year, be in touch to organise them visiting school and learn how you can be part of our amazing school community. We welcome anyone with children at any stage of their Year 0 - 8 schooling who want to see what Tarras can offer - be in touch: principal@tarras.school.nz.
