TARRAS SCHOOL

Kia Ora and Happy New Year!

Hoping that everyone has enjoyed the summer - I am pretty certain I can guarantee that when Wednesday 3rd February comes around the sun will show up at top temperatures with no rain!

Start of Term 1 : Wednesday 3rd February 2021

Great to see so many community members using the swimming pool when the sun has come out. Please be extra careful with the pool cover - it is nearing the end of its existence and falls apart quite easily. Fundraising is going well to replace this in the near future.

The school produce stand will start ramping up from now - potatoes, beetroot, plums and soon apples will be available. Check the stall whenever you go past and support the schools fundraising efforts. If you don't need anything be sure to tell your friends who are travelling though to check it out.

We have farewelled the Te Amo family and all staff wish them the best of luck on their new adventure in Invercargill. Look out for Cash and Briar at the MAC bus stops and give them a big smile and wave to encourage them on their new journey too.

We welcome Alfie Rutheford and Matilda Reed and their families to the start of their school adventure - all staff look forward to watching you grow and learn. The school year starts with a roll of 11 students. If you have a 4 year old at home who would like to see what school is about, contact principal@tarras.school.nz to find out about school visits.
