

Legumes for Hard Hill Country

Tuesday 9 March 1.00 – 5.00 pm

Avenel Station, 402 Bennet Road, Millers Flat

In collaboration with AgResearch, this event will visit Pat and Nick Garden's trial area to learn about their research into the use of lotus in Central Otago hard hill country.

Discussion topics:

- Establishment, costs, productivity and management requirements.
- Integration into the farming system – results of whole system modelling.
- Overview of preliminary results from other trial sites (Caucasian and annual clovers).
- Farmer experiences in establishment and management of legumes in hard hill country.

Bring your own afternoon tea, picnic chair and 4WD for the farm tour.

BBQ and refreshments to follow. Sponsored by PGG Wrightson and PGG Wrightson Seeds.

Registration is essential (please register again even if you registered for the original event) and can be done via the B+LNZ website events page:

www.beeflambnz.com/events/blnz-central-otago-farming-profit-field-day-legumes-hard-hill-country

FRIENDS OF TARRAS SCHOOL

We have a very exciting new fundraiser underway, TARRAS TEA TOWELS!

We would like to thank the sheep and beef farm owners for getting in behind us and agreeing to have their property names listed on the new Tarras Tea Towel. If we have missed you, we would like to take this time to sincerely apologise and please do let us know as we can rectify this before placing the next print order.

The design is still a secret, but we can assure you...we are quite excited to see this come alive. Watch out for our special introductory offer coming soon!

Follow our Facebook page Tarras School Fundraising for more details.

- Kia Orana,
- Students have settled back into school exceptionally well and started some super learning journeys already. New students have seemed like they have always been part of the school and old students like they were never away on holiday! This year we have two learning spaces set up - Year 1 and Year 3 - 6. With a total of 11 students this term we are able to really focus on individual learning needs in each learning space.
- Year 4, 5 and 6 students participated in Physical Activity Leader training in Cromwell. This gives the students the leadership skills to take whole school sessions and also provides a selection of fun games to play in these sessions.
- This programme has been part of our school day for over 2 years now and staff see an amazing increase in leadership style from all students.
- All students participated in The Junior Challenge Wanaka. Training had been intense and everyone tried their absolute best. Tarras School would like to thank the organisers for ensuring the day ran smoothly. Students were wearing their medals and finisher t shirts with pride once they had completed their race. Community events like these ensure students participate with other local schools and start to make connections with peers who they will attend schooling with in the future.

- If you are a Trail Rider enthusiast ensure you head to Long Gully on Saturday 27th March to take part in the Wanaka Trailride. Tarras School will once again be running the parking on the day and we have a great turn out of volunteers to do this job. This is a steady fundraiser for school and a great way for us to support something local.

- Thinking about firewood for 2022?? Tarras School FOTS are doing some fundraisers this year to get you ready. Find a Tarras School student and buy a raffle ticket - \$2 a ticket. Raffle tickets also be available at the shop. March raffle will be available in the last week of February and it will be drawn on 31st March 2021. Each month there will be a new raffle until the source of wood runs dry! Buy 1 or buy a whole sheet of 50 - the more tickets you buy the greater chance of winning a trailer load of wood. We would like to thank Lindis Peak Station for donating the wood and Grant Hood Contracting for transporting the wood to our desired location.

- Students would like to thank the following businesses for their support through the Southfuels "Fuel for Schools" Programme. We hit the target at the end of 2020 and the exciting package of an iPad with some OSMO tools was dropped off by Libby in Week 1.
- **Geordie Hill Station Limited, R J Johnston Contracting, Lindis Peaks Farming Limited, Tarras Farm Limited Partnership, Molyneux Farm Ltd, Tarras Downs Ltd, Duncan Earthworks Ltd Clutha Plains Trust, G R Goodger & Co, Nine Mile Pastoral Limited, Duncan Earthworks Ltd, Cheeki Cherries, M & J McCaughan, Kotiti Ltd, Malvern Downs Ltd**

His command of the complex and intimate rhythms of Flamenco is astonishing" - Ann Hart, Dominion Post

Arts On Tour NZ (AOTNZ) organises tours of outstanding New Zealand performers to rural and smaller centres in New Zealand. The trust receives funding from Creative New Zealand as well as support from Central Lakes Trust, Community Trust of Southland, Invercargill, Otago Community Trust, Kaitiaki Foundation and the Southern Trust. AOTNZ bases with local arts councils, repertory theatres and community groups to bring the best of musical and theatrical talent to country districts. The AOTNZ programme is environmentally sustainable - artists travel to their audiences rather than the reverse.

TARRAS PLAYGROUPO - Dog Trials 25th-26th March

Once again, this year we will be phoning the community to seek your support towards the catering at Dog Trials. Have a think...what is your preferred dish, cooked meat, salad, sweet and/or savoury baking or soup! We will be endeavouring to make contact with everyone over the next couple of weeks. If you do not hear from us, it means we have received amazing support from the community and your name will be at the top of the list for us to ring in 2022!

We are also seeking any volunteers who may have a spare hour or two to come along and lend a hand in the kitchen on either day. If you are available and willing, please contact Stacey (445 2007) or Michelle (021 120 3893).

Thank you for your support! This year's fundraiser will be going towards having the spouting upgraded to improve the quantity of our water supply.
