

THE TARRAS CHURCH SERVICE IS
THE FIRST SUNDAY OF EVERY
MONTH AT 11am

UPCOMING SERVICE:

5TH NOVEMBER 2023

DUTY: JO MCCAUGHAN & JEANETTE EMMERSON
Services lead by Damon Plimmer – all welcome *****

Tarras Church Mouse

The Tarras Church has been asked to support an idea to encourage new people to visit church buildings in our area.

The project involves various churches producing a "church mouse" which can be collected as part of a 'mouse pilgrimage'.

Introducing 'Grace' the Tarras Mouse

Lindis Conservation Group Talk & Slideshow

Tarras Rural Women and friends enjoyed a talk and slideshow presented by Jan & Anne. We were impressed by the commitment and the work carried out by the group since 2005. The landscape, and the flora and fauna of this area is truly special. Remember to visit this outstanding reserve on your back doorstep!

Tarras Talk

Find us online at www.tarras.org.nz

Saturday 14 October 2023

Voting places open across New Zealand, so everyone has a chance to vote.

Some voting places can be quite busy at certain times of the day. If you'd prefer to vote when it's quieter, or if you may need assistance, the best times to vote are typically between 9am – 11am and 2pm – 4pm, Monday to Friday.

TARRAS RURAL WOMEN NEWS

In October we will be visiting two lovely local gardens.

Mark the date now!

10am: Sunday, 29th October.

Garden details will be sent through our email list

Have news for Tarras Talk?

Please continue to email tarrastalk@gmail.com by the 30th of the month. If you too would like to be included in the reminder email, send me an email and I will add you to the list.

TARRAS SCHOOL

Kia ora

After over 60 editions this will be the last time I write the school round up for Tarras Talk - thank you to all those community members who read this each month. I would like to thank everyone who has supported Tarras School whilst I have been in the principal role. It has been a great privilege to hold this position and I will take learnings and memories from my 6 years here forward into my life. I will ensure I follow the Facebook Page and read the Tarras Talk each month to ensure I am up to date on what everyone is doing at school.

At school in the past month students have managed to not get blown away by the wind, have watched the daffodil bulbs bloom again and dodged rain showers - Spring is definitely here at Tarras School.

Students finished their ski season with all of them exploring more of the slope than previously. I attempted to catch most of them on my camera but sometimes my skills don't keep up with them - especially over jumps! Our ski experience at Cardrona was great, less crowds and we even got mostly sunny days. Thanks to all the instructors up the mountain who show a lot of patience with all our skiers.

Year 3 - 6 visited the team at Santana Minerals where they got to see the rocks that have been drilled out of the ground. Students were shown how the geologists log their finds and what is important to look for - seeing gold flakes was pretty cool. The students were taken up to see the Monopoly themed street names where drilling explorations have already occurred. Visiting the Come in Time Battery, which has been beautifully restored, was a great lunch spot. Most of the students came away excited to have the potential to work at a gold mine so close to home one day!

Emma, from St John, came into work with the students on what to do in an emergency. They learnt about simple first aid and how to call for an ambulance. There was practise in putting on bandages, using the recovery position and DRSABCS. Be assured that if you are in an accident with a Tarras School child they will know what to do.

Lucy, from Enviroschools, visited again and brought with her the Enviroscope. This model lets you add buildings, animals and other additions similar to the area we live in. She then took the students through what happens when it rains and storms, students could see the difference that is made by planting some native trees and bushes along water ways and in other areas.

The school website has undergone a transformation and is now managed by an outside agency, this is kindly supported by Skool Loop. The following companies support the Skool Loop app which makes it free for us as a school to use - thank you.

Green to Gold Limited, Wanaka Spraying Limited, Upper Clutha Transport, Denise Barr – Harcourts Wanaka, Lake Hawea Contracting, Wanacare Pharmacy, Kaitiaki Construction, Wanaka Agricultural Contracting (2017) Limited, Squeaky Hinge Olive Oil, Gilmore Contracting

If you are a local business interested in supporting the app contact Natasha on natasha@skoolloop.com

All the best for the future - Rachelle
