No New Airports Group

New Airport at Tarras?
We were all surprised to hear, a couple of weeks ago, about Christchurch International Airport Limited’s purchase of 750 hectares of land in Tarras. Some of us are against it, some are on the fence, and some all for it. Whatever your position, it’s good to know what is going on. If you are interested in what the ‘**NO NEW AIRPORTS**’ group is doing, we are currently forming an Incorporated Society to oppose the development, and you can join our email list by emailing donna.goddard@blackswanNZ.com. We also plan to put up regular information on the Tarras website, so keep an eye out there,
Best wishes, Marilyn Duxson (Maori Point Vineyard)

For information and updates on the proposed international airport at Tarras see the Tarras website - www.tarras.org.nz and click the blue aeroplane link on the homepage.

TARRAS SCHOOL

Kia Ora

Covid-19 : If you are entering the Tarras School building it is a requirement to scan the Covid-19 tracker QR code, located at all entrance points, or sign in using our paper registers. This is a requirement and will assist with contract tracing if necessary. We thank you for your compliance.

Students have had a great start to skiing up at Cardrona with one day completed and smiles all round. Students stayed warm on the mountain as they had each made a neck warmer at school to keep the wind chill away. Cross Country was completed in Poolburn with 9 of our students coming in the top 6 for their age group. 2 students and 1 pre-schooler came away with a certificate for placing 3rd and above.

Wastefree Wanda visited students to share her message of creating a wastefree world. Students enjoyed singing and dancing along to her very catchy tunes. You can check out WasteFree Wanda on youtube, Facebook and TikTok.

Are you planting up seedlings at the moment and also wondering how you can support Tarras School? Our annual seedling sale will take place in October and we always welcome seedlings grown by others that we can sell to raise funds for our Garden to Table project. It can be vegetables, flowers or fruits.

Bee Awareness Month

September is bee awareness month. If you have or know someone who is interested in sharing their bee knowledge with the students please be in touch.
