TARRAS COMMUNITY TRUST

“THE FOUR SCHOOLS”

This is a comprehensive history of the local schools- Lindis Pass, Bendigo, Ardgour and Tarras. There are still a number of these books available at the Merino Shop for \$17 each.

A big vote of thanks to Bonar Rowley who volunteers to keep the recycling station working as it should BUT we all need to do our bit too by keeping the surrounds tidy and only putting the right materials in each slot. Don't forget the honesty box - money raised helps to defray expenses.

TARRAS HALL Update

- Thank you to Jacinta Neilson for her work cleaning the Hall and taking Hall bookings for the community. Her enthusiasm and organisation was greatly appreciated by the Hall Committee.
- Welcome to Stacey Bates as the new cleaner and Kate Anderson as the booking "agent" for the Hall
- Kate can be contacted on 445 2079.

DAFFODIL DAY

WELL DONE TARRAS

Thanks to the generosity of the Tarras Community and the passing public who supported us on Daffodil Day, \$1001.60 was raised for the Cancer Society. Thank you to everybody who donated baking, produce and items for the raffle, also to those who purchased goods, bought raffle tickets and who contributed in any way. A great effort from a small township.

2nd prize J. Kearney In'gill

Tarras Country Café kindly gave coffees to the volunteers on the stall. Much appreciated on a cold day.

A special thank you to the students and staff at the school for their creative efforts, donations of baking, cards and a mini coin trail.

Jonny and Rebecca are still looking for interested community members to join them on the Hall Committee. It is proposed that there be a representative from a number of groups that use the Hall & the recreation grounds be on the committee, eg rugby club, playgroup, golf, Rural Women, school etc
