EXCITING NEWS...

We have had a great start to Term 2 with averaging 8-10 kids at playgroup each week.

We have had a visit from Mary Heaney from REAP. The kids really enjoyed painting and gluing pictures with her during this time.

We are planning a playgroup outing for later this term. More details about will follow towards the end of the term.

Assembly is held every second Thursday at 2.30. Next assembly 8th June.

All welcome.

A request please; if anyone has View Master disks they no longer require our juniors would love them!

Playgroup Visits

Playgroup visits are on Tuesdays.

This is an opportunity for the 4 yr-olds to be introduced to school before they start their full-day visits (close to turning 5). They'll get a reading book to bring home each time. If you know of any 4-yr-olds who don't attend playgroup, please let their parents know of this option.

The Principal position has been filled. Ms Rachelle Haslegrove has accepted the position and will begin on the 24th of July.

Our Inquiry is 'Learning about our Place' Research has begun on our place 'Tarras'. Please send any books or fascinating objects or photos you may have for us to share and grow our knowledge.

Fridays are our 'Life Skills' day. Recently we've had a lot happening; sewing our lavender bags, making scones, painting masterpieces, inquiry research, drama and role play as well as cooperative game skills, all in our fantastic Friday of integrated curriculum. Today we had Art, Drama, Poetry, Inquiry, and Buddy Reading, baking bacon and egg pies and sewing of homework bags. The children are loving using their newfound skills.

Mr Robbie Gibson visited school and talked about the recent Golden Fleece competition, which was judged last week in Tarras. He demonstrated the qualities of fine wool merino and was very informative.

Produce Stall: Russell has been busy planting garlic and rhubarb. Thank you Spin and Rebecca for the bulbs. We hope to get some of our hand-made lavender bags out there soon too.

Russell has been given approval by the BOT, to purchase some cherry trees and plants for our school garden ultimately for the produce stall in spring and summer.
